Anoka County Sheriff's Office Welcomes New Canine Partner for Victim Support

The Anoka County Sheriff's Office is excited to share the continued expansion of victim support services with the addition of facility dog Sedona, a three-year-old yellow lab/golden retriever. Sedona has been trained and generously provided by [Can Do Canines](#) to use specific skills to give comfort and support to victims who are experiencing difficult situations. Sedona will work closely with handler Victim Advocate Tristin Gillespie and Detective Troy Edmond with the Anoka County Sheriff's Office.

“Comprehensive law enforcement requires that we provide effective support to victims, and those who are experiencing distressing circumstances. The addition of Sedona will help those needing to revisit traumatic experiences reduce anxiety and build trust with staff,” states Sheriff Brad Wise. “Ultimately, by continuing to forge trusting relationships between our office and victims, we can not only bring those who do harm to justice but help provide some closure for those who were harmed.”
