

ANOKA COUNTY NON-SECURE PROGRAM (NSP)

45 Day Psychosexual Evaluation Program

While programed with other youth in the Non-Secure Program a youth referred to the 45 Day Program will have a psychosexual evaluation completed by a licensed psychologist. A psychosexual evaluation is a tool to assess a youth's psychological and sexual functioning in order to diagnose problematic sexual behavior. This evaluation will provide the referring agent the psychologist's professional findings as well as treatment, intervention, and placement recommendations within 45 days of referral and placement at NSP.

About Us

Serving both males and females 10 to 18 years of age, the Anoka County Non-Secure Program (NSP) offers short and long term programming with three separate groups. The short term group consists of all female youth awaiting their next court appearance or completing court ordered short term programs. The long term group consists of all female youth court ordered to complete a long term program. The all male group consists of youth awaiting next court appearances, waiting for next placements, or completing court ordered short and long term programs.
