### Sources of compensation

List all businesses from which you received more than \$250 in compensation in any calendar month during the reporting period. You should include any employer listed on the first page if it is a business as described below.

"Business" means an association, corporation, partnership, limited liability company, limited liability partnership, or other organized legal entity. An individual acting alone in the individual's own capacity, such as in the form of a sole proprietorship, is not a business for purposes of this statement, nor is a government agency.

"Compensation" means any payment for labor or personal services as a director, officer, owner, member, partner, employer, or employee of a business. Compensation does not include payments that do not result from the performance of services, such as rental income, social security payments, unemployment compensation, workers' compensation, pension benefits, or insurance benefits.

### Business ownership

If you own 25% or more of a business and received more than \$250 in any month during the reporting period as an employee of that business, list the business or professional activity category from page 4 that best describes the main function of the business.

Business or professional activity category (See page 4)

### Independent contracting

If you received more than \$2,500 for work as an independent contractor in the past 12 months, list the business or professional activity category from page 4 that best describes the nature of that work.

Business or professional activity category (See page 4)

### Honoraria (only report honoraria on an annual statement)

Report the sources of any honoraria worth more than \$250 received during any month in the reporting period. An honorarium is anything of value received for a service when there is no obligation on the part of the giver to pay. Examples of honoraria could include payment for speeches, presentations, or articles.

### Securities

List all businesses whose securities valued at more than \$10,000 you individually or jointly held at any time during the reporting period. Use the definition of business from the Sources of compensation section on the previous page.

"Securities" means stocks, shares, bonds, warrants, options, pledges, notes, mortgages, annuities, debentures, leases, and commercial paper. "Securities" does not include shares of mutual funds, shares of exchange-traded funds, or defined benefit pension plans. For stocks, list the name of the business- do not list the exchange symbol, total shares, or value.

For retirement accounts like IRAs or 401(k)s, list the individual investments items held through the account. For example, if you have an IRA managed by Charles Schwab, do not list Charles Schwab – IRA. Instead, obtain an itemized listing of the investments held in the IRA and report those investments which meet the definition of security and exceed \$10,000 in value.

### Real property

Do not report your homestead. Report interests in all other real property located in Minnesota that you held individually or jointly at any time during the reporting period. You must report the following interests: a fee simple interest (you are an owner, even if you owe a mortgage), a contract for deed as a buyer or seller, or a mortgage that you hold as a seller.

Report an option to buy if the value of the option is more than \$2,500 or if the fair market value of the optioned property is more than \$50,000 even if the value of the option itself is \$2,500 or less. For each property list the county in which the property is located. Also list the street address and city, or if the property does not have a street address, the section, township, and range where the property is located and the approximate acreage.

Upon written request and for good cause shown, the Board may waive the requirement that an official disclose the address of a secondary residence of the official. Contact Board staff if you want to request this waiver.
