

## Using the Precinct Finder

- Column 1 - Find the voter's street in column 1, listed in alphanumeric order
- Column 2 - Find the address range that fits the voter's house number in column 2.
- Column 3 – Determine if house number is an odd or even number.
  - An "O" in Column 3 indicates that the address range shown pertains only to homes with house numbers that end in an odd number;
  - An "E" in Column 3 indicates that the address range shown pertains only to homes with house numbers that end in an even number;
  - A "B" in Column 3 indicates that the address range shown pertains to all house number within that range.
- Column 4 - Find the voter's Precinct number in column 4.
- You may direct the voter to use a laptop, tablet, or mobile device to assist the voter in finding their correct polling location
  - Go to [www.mnvotes.org](http://www.mnvotes.org) to access the poll finder app
- You can also direct the voter to the poll book judge to look up their correct precinct/polling place
- If the voter's address still cannot be located, call Anoka County Elections at (763) 324-1310 for assistance.
