Sources of compensation

List all businesses from which you or your spouse received more than \$250 in compensation in any calendar month during the reporting period. You should include any employer listed on the first page if it is a business as described below.

"Business" means an association, corporation, partnership, limited liability company, limited liability partnership, or other organized legal entity. An individual acting alone in the individual's own capacity, such as in the form of a sole proprietorship, is not a business for purposes of this statement, nor is a government agency.

"Compensation" means any payment for labor or personal services as a director, officer, owner, member, partner, employer, or employee of a business. Compensation does not include payments that do not result from the performance of services, such as rental income, social security payments, unemployment compensation, workers' compensation, pension benefits, or insurance benefits.

Compensation from lobbyist, lobbyist principal, or interested person, for services as an independent contractor or consultant

Complete this section if you as an individual received more than \$250 in compensation in any calendar month during the reporting period for consulting or independent contractor services provided to a lobbyist, lobbyist principal, or interested person. The \$250 in compensation does not include payment for actual and reasonable expenses received while providing services as a consultant or independent contractor.

If payment was delivered by an individual or association on behalf of a lobbyist, lobbyist principal, or interested person you must list both the individual or association that delivered the payment, and the lobbyist, lobbyist principal, or interested person that received the services you provided.

A list of lobbyists in Minnesota is available on the Board's website at cfb.mn.gov/reports/current-lists/#/all-registered-lobbyists/all/.

A list of lobbyist principals in Minnesota is available on the Board's website at: cfb.mn.gov/reports/current-lists/#/lobbying-entities/all/.

An "interested person" means a person or a representative of a person or association that has a direct financial interest in a decision that the individual receiving the compensation is authorized to make as a public or local official or will be authorized to make if the individual becomes a public or local official. To be direct, the financial interest of the person or association paying the compensation to the individual must be of greater consequence to the payer than the general interest of other residents or taxpayers of the individual's governmental unit.

Securities

List all businesses whose securities are valued at more than \$10,000 that you or your spouse individually or jointly held at any time during the reporting period. Use the definition of business from the Sources of compensation section on the previous page.

“Securities” means stocks, shares, bonds, warrants, options, pledges, notes, mortgages, annuities, debentures, leases, and commercial paper in any corporation, partnership, trust, or other association. “Securities” does not include shares of mutual funds, shares of exchange-traded funds, or defined benefit pension plans. For stocks, list the name of the business. Do not list the exchange symbol, total shares, or value of a security.

For retirement accounts like IRAs or 401(k)s, list the individual investment items held through the account. For example, if you have an IRA managed by Charles Schwab, do not list Charles Schwab – IRA. Instead, obtain an itemized listing of the investments held in the IRA and report those investments that meet the definition of security and exceed \$10,000 in value. Please provide information for both you and your spouse, but do not disclose specific ownership details of the listed items.

Real property

Do not report your homestead. Report interests in all other real property located in Minnesota that you and your spouse have held individually or jointly at any time during the reporting period. You must report for you and your spouse the following interests: a fee simple interest (you are an owner, even if you owe a mortgage), a contract for deed as a buyer or seller, or a mortgage that you hold as a seller. This includes a list of all real property in Minnesota owned by a partnership in which you or your spouse holds an interest.

Report an option to buy if the value of the option is more than \$2,500 or if the fair market value of the optioned property is more than \$50,000 even if the value of the option itself is \$2,500 or less. For each property list the county in which the property is located. Also, list the street address and city, or if the property does not have a street address, the section, township, and range where the property is located and the approximate acreage.

Upon written request and for good cause shown, the Board may waive the requirement that a public official disclose the address of a secondary residence of the official. Contact Board staff if you want to request this waiver. Please provide information for both you and your spouse but do not disclose specific ownership details of the listed items.
