

# Welcome!

## Please sign in.

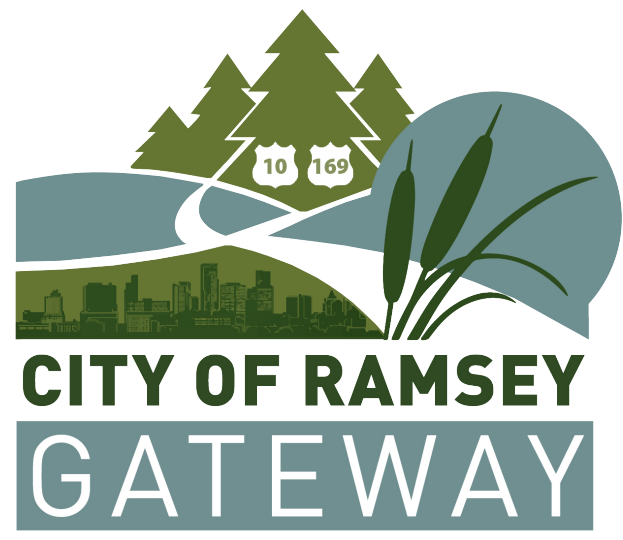

# Project Overview

Anoka County, MnDOT, and the City of Ramsey are working together to reconstruct and improve roads and bridges on

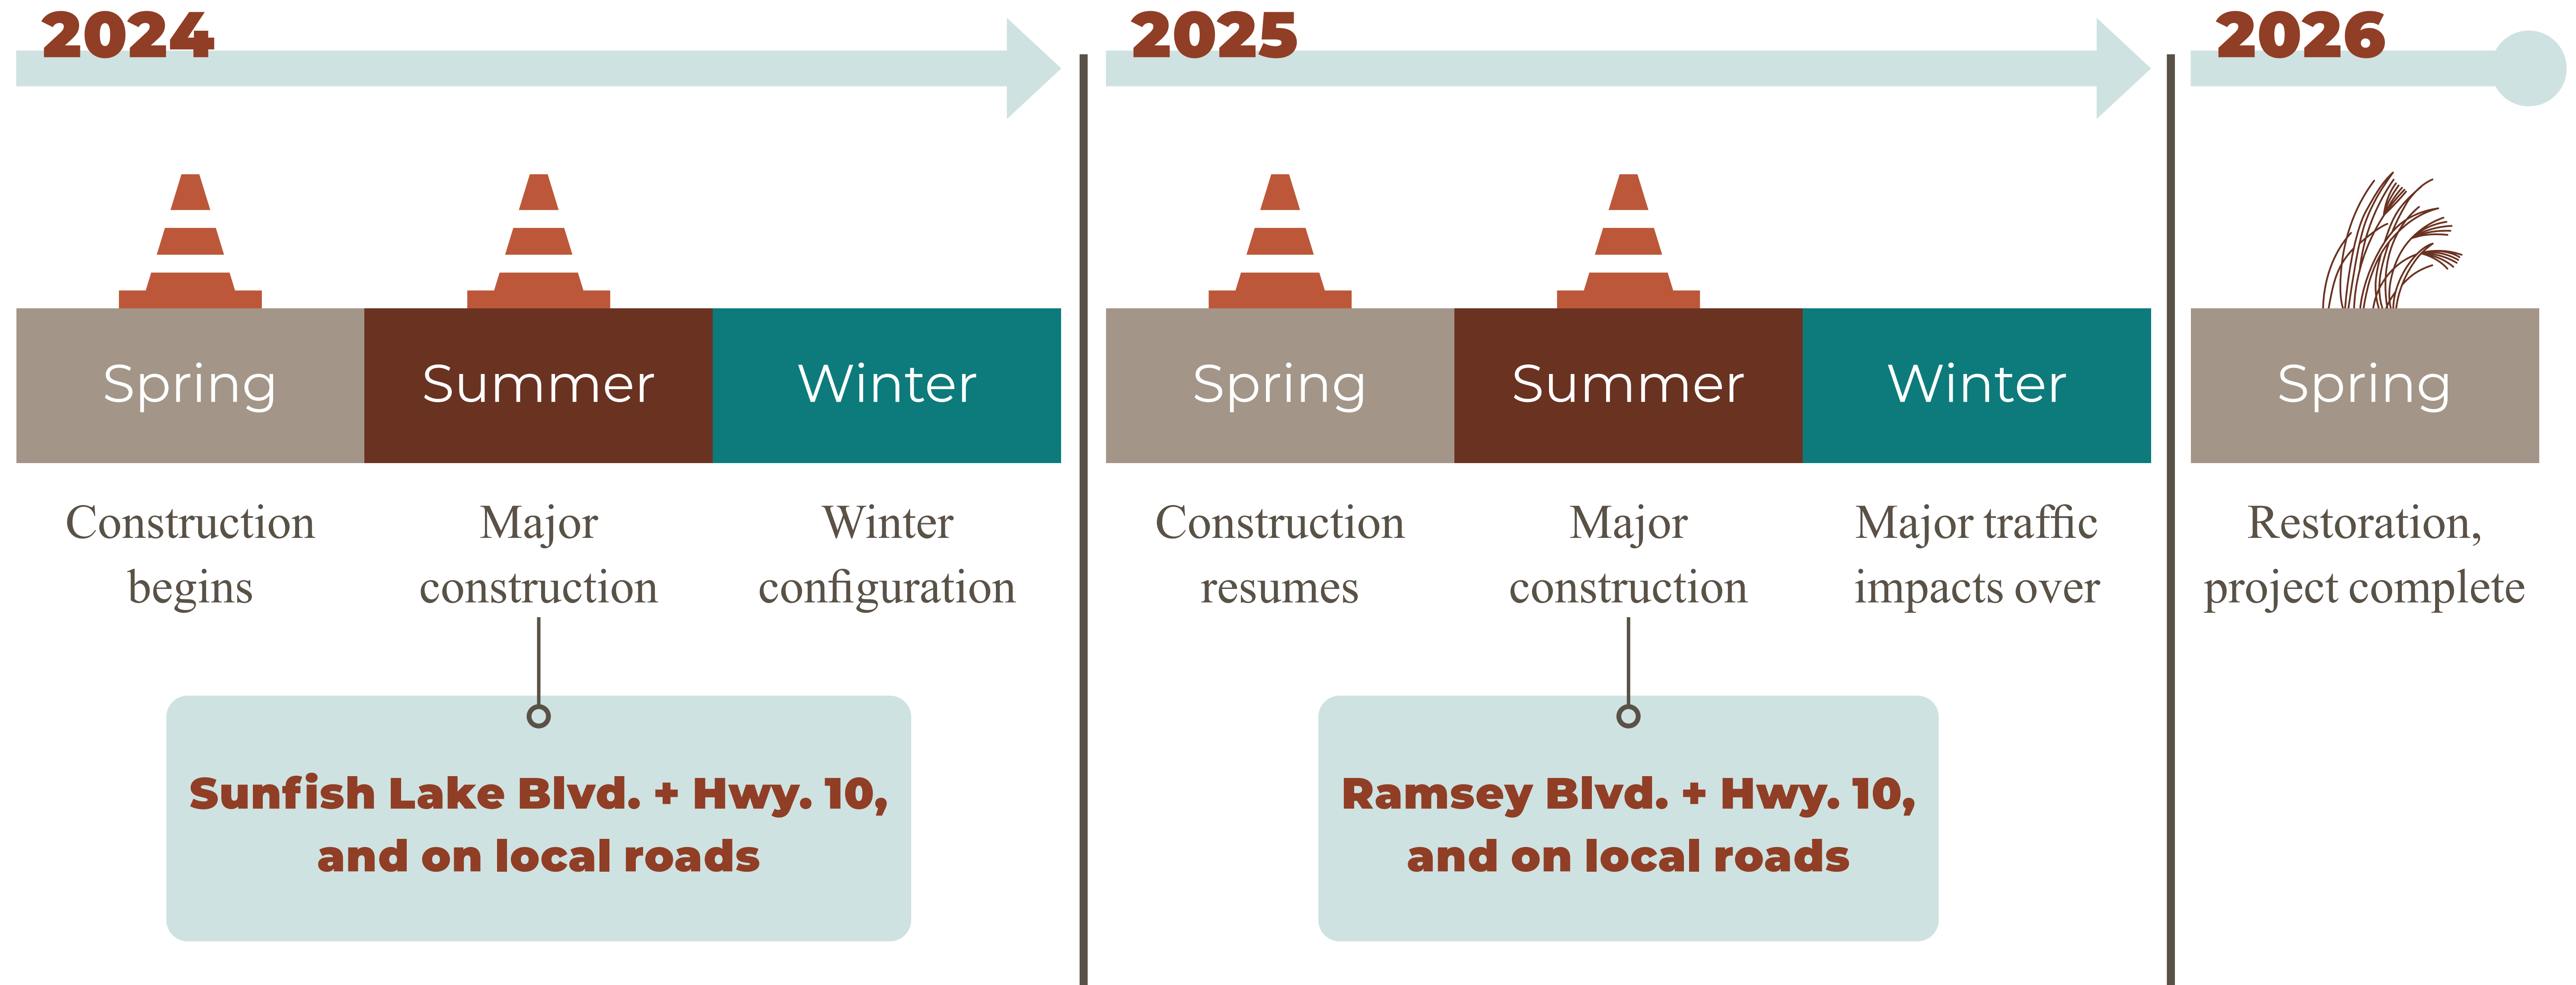

**Highway 10 between Armstrong Boulevard and Sunfish Lake Boulevard.**

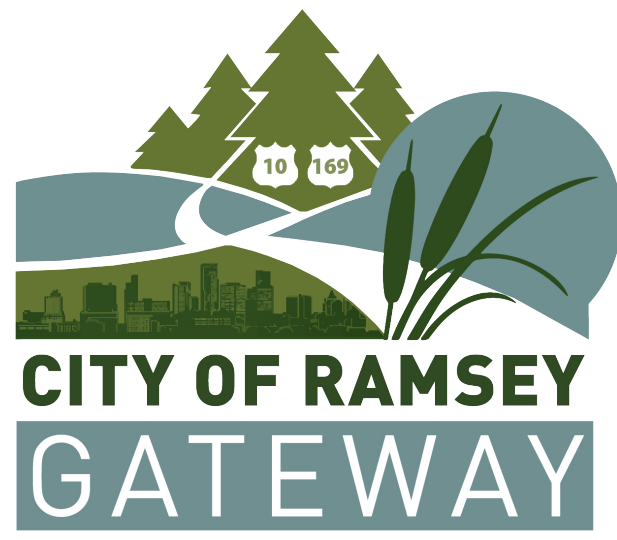

When complete, the new Highway 10 will improve traffic flow, decrease congestion, and increase safety.

# Project Schedule

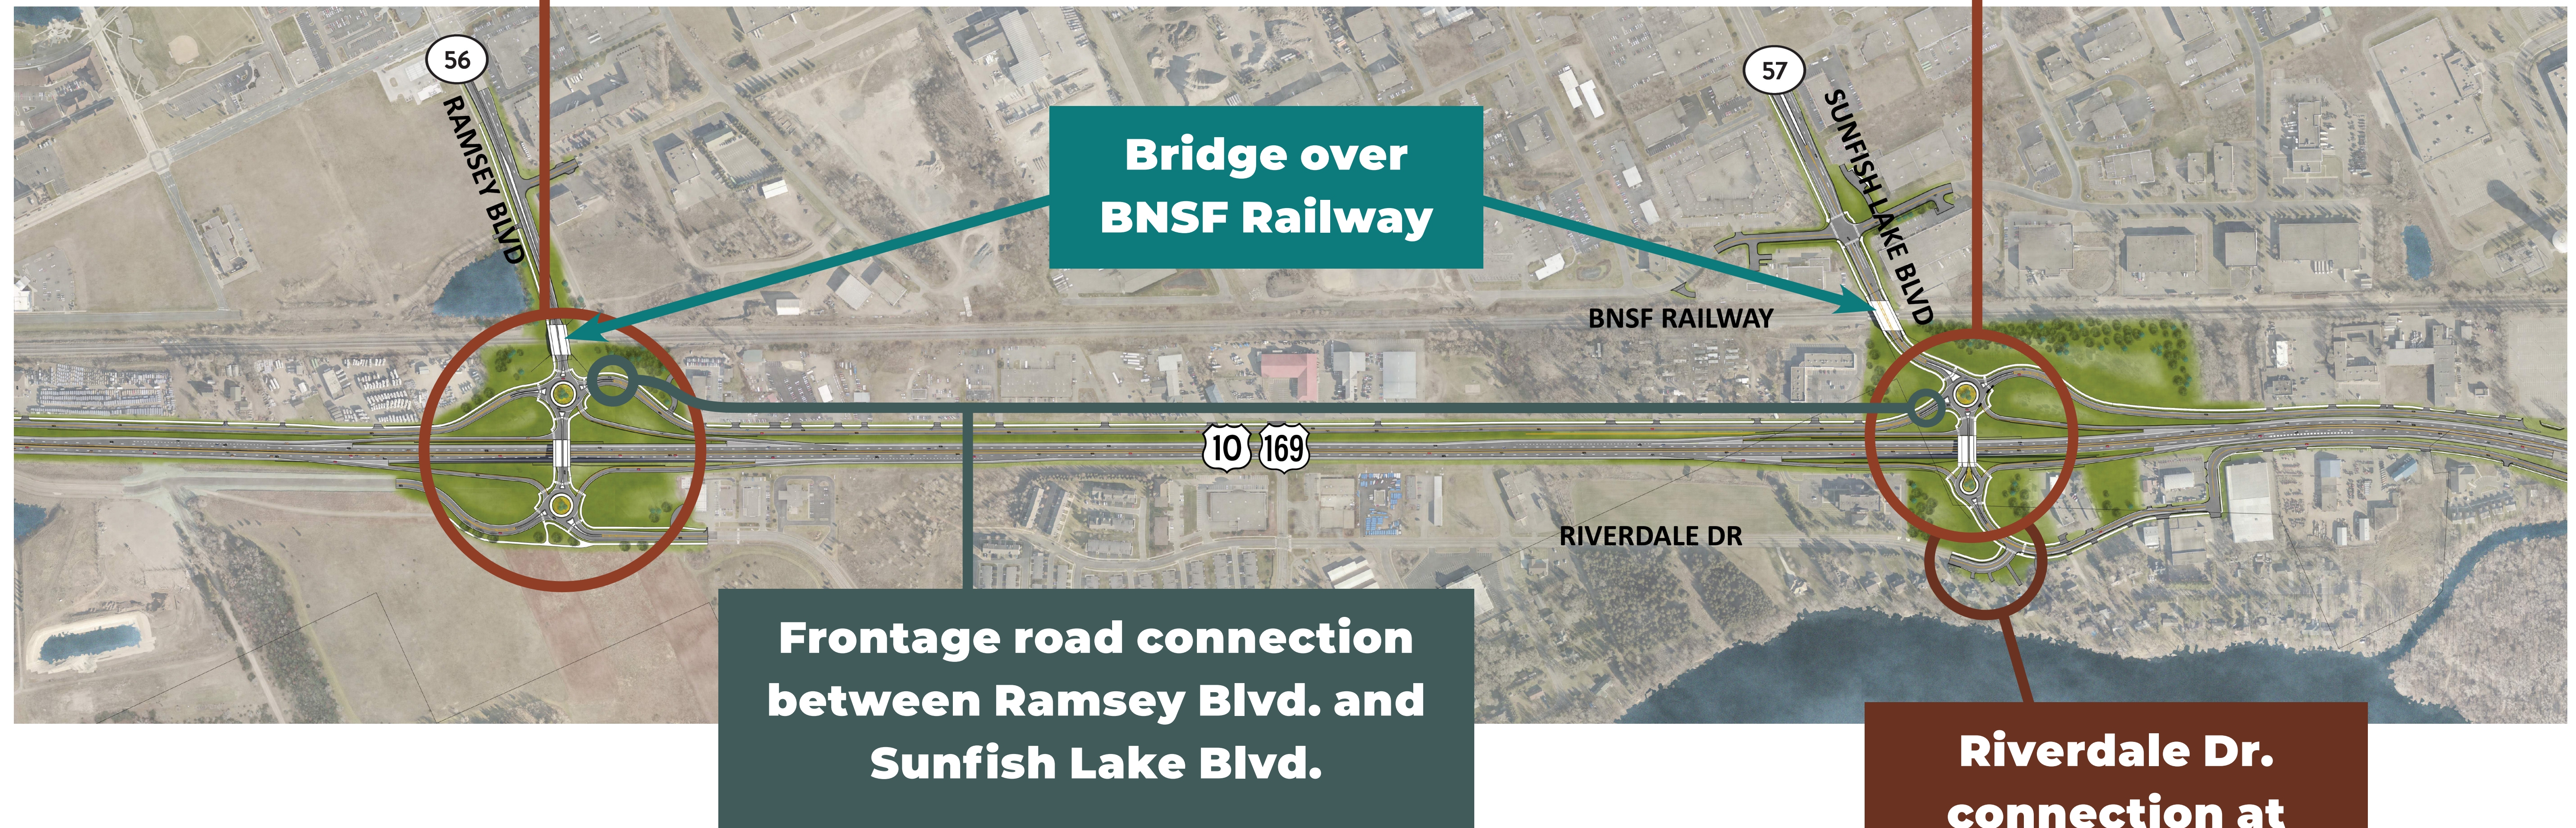

# Project Features

**Ramsey Blvd. / Hwy. 10  
interchange**

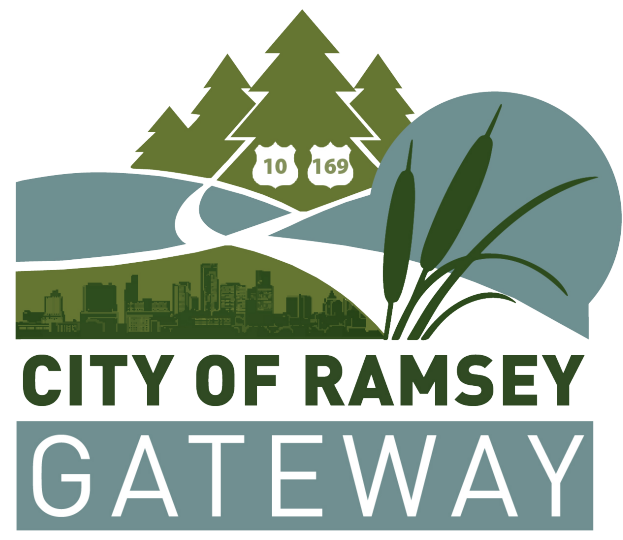

**Sunfish Lake Blvd. / Hwy. 10  
interchange**

**Bridge over  
BNSF Railway**

**Frontage road connection  
between Ramsey Blvd. and  
Sunfish Lake Blvd.**

**Riverdale Dr.  
connection at  
Sunfish Lake Blvd.**

# Business Outreach

Throughout construction, a business liaison will work closely with local businesses that are impacted by closures and road access changes.

- One-on-one business contact prior to major construction impacts
- Business meetings will be held monthly, dates and times TBD
- Custom detour maps
- Presentations to business groups and organizations

If you have any questions or concerns regarding impacts to your business, reach out to:

Mikaela Isaacson

612-258-2918

[Mikaela.Isaacson@bolton-menk.com](mailto:Mikaela.Isaacson@bolton-menk.com)

To help us provide the best outreach possible, and get the monthly business meetings scheduled for the most convenient time for everyone, please take our business survey.

# Project Benefits

## **It will be worth it.**

Once complete, Ramsey will benefit from a safe and reliable Highway 10 that will serve the region well with:

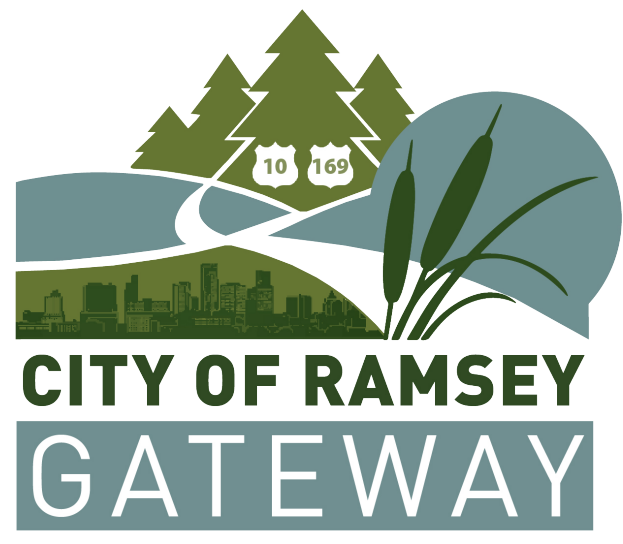

Better connected sidewalks and trails

Railroad grade separation

New interchanges that provide a safer and better way to cross Hwy. 10

No more traffic signals or crossings on Hwy. 10 through Ramsey

Improved connections to the highway and to the community

# People who walk, bike, and roll

## Mississippi West Regional Trail closed Fall 2023 - Winter 2025

- Trail closed
- Detour

# Stay Connected

**Still  
don't see the  
information  
you need?**

**Have  
additional  
concerns or  
questions?**

**Visit the Ramsey  
Gateway project website**

**Email:  
info@hwy10Ramsey.com**

**763-400-3877**

The dedicated project communications team is available to answer questions and help plan your route.

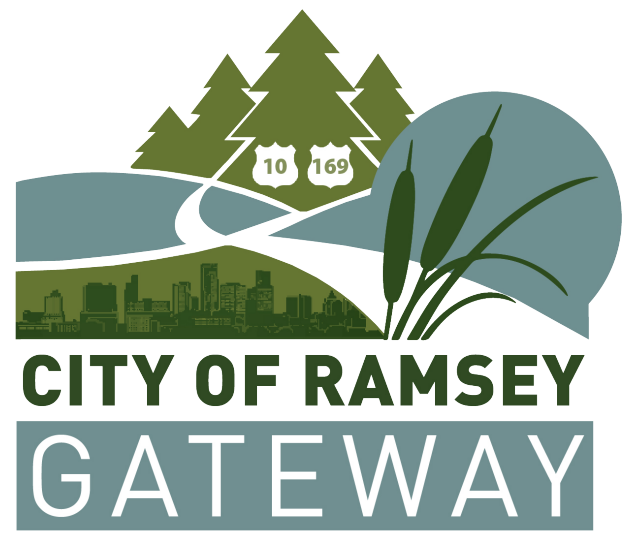

# Project Visualizations

## Ramsey Blvd.

# Design Aesthetics

## Roundabout Details

## Bridge Crossings

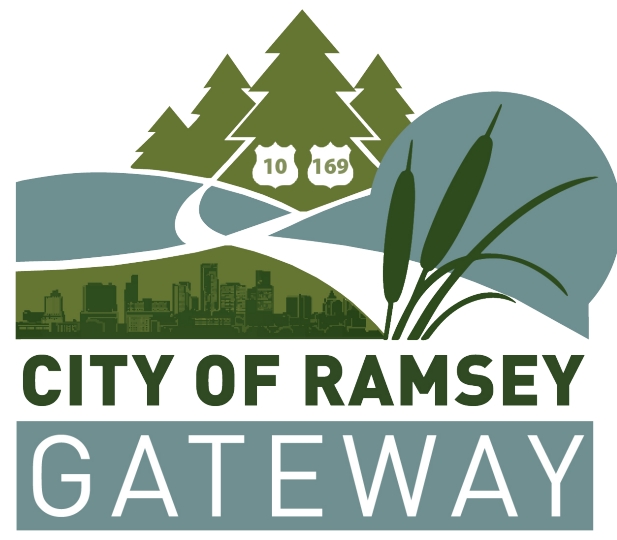

## Bridge Details

## Pedestrian & Bicycle Amenities

# Staging Goals

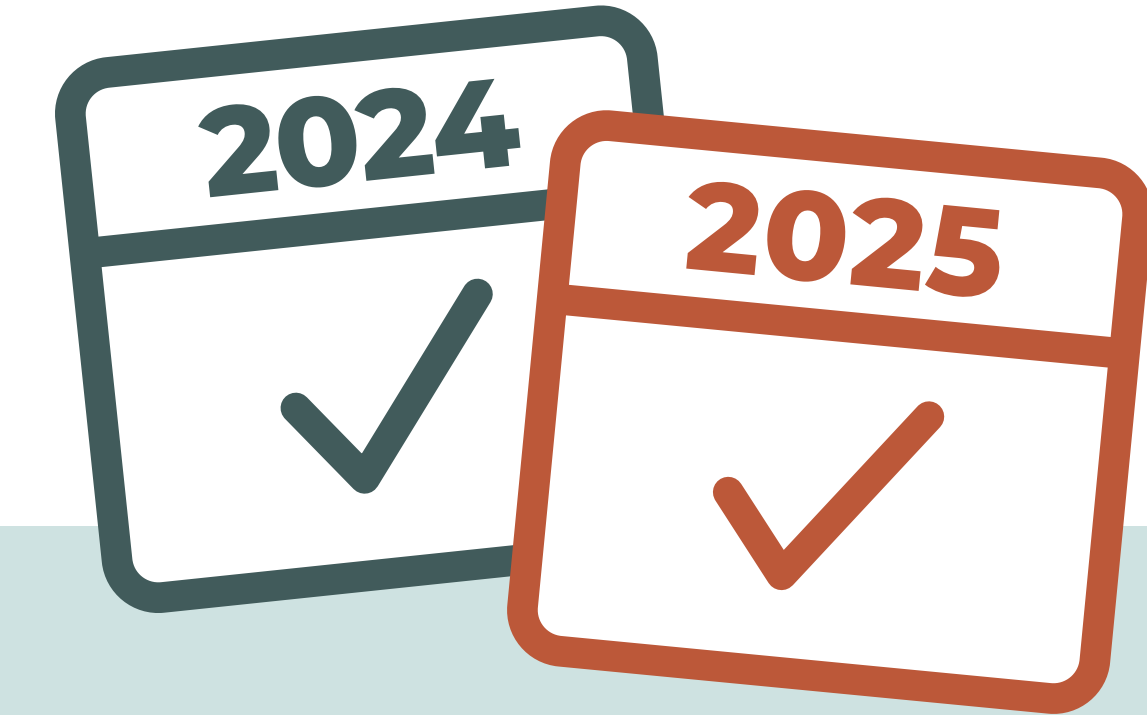

**Minimize impacts to the community**

**Highway 10 remains open to two lanes in each direction (most of the time)**

**Impact one interchange/major access point per year**

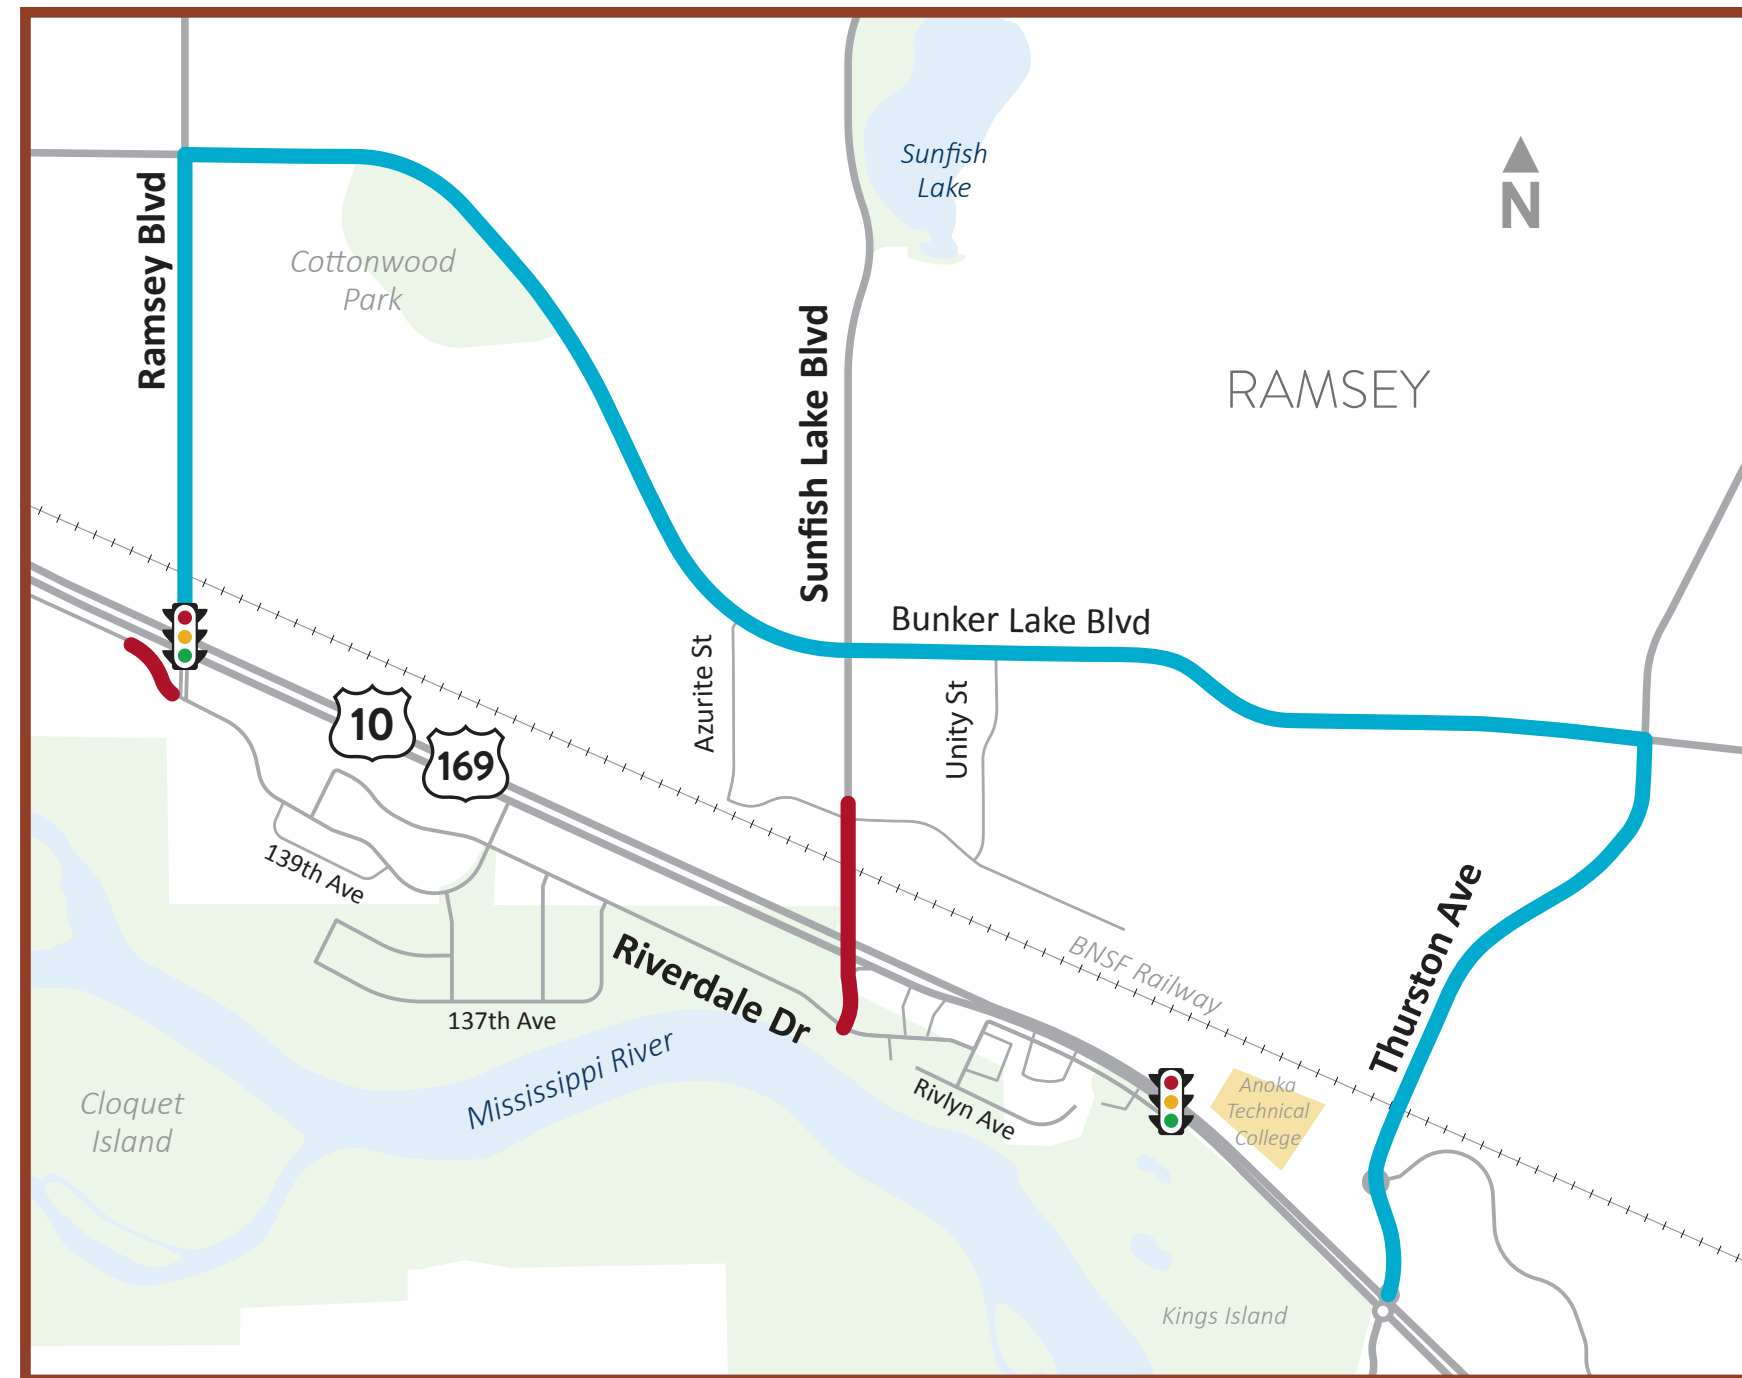

**Major construction completed in two years**

# Sunfish Lake Blvd.
